Re: DELTA STEEL  
ALTERNATE WATER SUPPLY

Mr. Jack R. Craig  
Project Manager  
U.S. DOE FEMP  
P.O. Box 398705  
Cincinnati, Ohio 45239

Dear Mr. Craig:

The purpose of this letter is to agree with your February 3, 1992, proposed modification of the Alternate Water Supply portion of the South Plume Removal Action. This proposal would delete Delta Steel from the current plans and provide a public water supply to them in approximately two years when the system is expanded. If you have any questions please contact me.

Sincerely,

Graham E. Mitchell  
Project Manager
