RE: Removal Action No. 3;  
Request for Schedule  
Extension

Dear Mr. Craig:

This letter is to confirm our telephone conversation of April 29, 1992. In that call you agreed that the United States Department of Energy (U.S. DOE) would grant the United States Environmental Protection Agency (U.S. EPA) a one month extension to respond to U.S. DOE's April 24, 1992 letter requesting an extension of the Removal Action Number 3 schedule. We agreed that U.S. EPA's response to that letter would be submitted on May 29, 1992.

Thank you for help in this matter, I look forward to talking with you regarding these issues when you are in Chicago on May 12, 1992.

Sincerely,

*Mary Butler*
