Mr. Graham E. Mitchell, Project Manager
Ohio Environmental Protection Agency
40 South Main Street
Dayton, Ohio 45402-2086

Dear Mr. Saric and Mr. Mitchell:

OPERABLE (OU) UNIT 3 - REMEDIAL INVESTIGATION/FEASIBILITY STUDY (RI/FS) WORK PLAN ADDENDUM

The purpose of this letter is to transmit, for your review and approval, the draft OU 3 RI/FS Work Plan Addendum. Since the Amended Consent Agreement negotiations, May through August, 1991, a great deal of effort has been placed on developing the OU 3 Work Plan Addendum. During the negotiations, a tentative schedule for the implementation of the RI/FS for OU 3 was developed with the realization that this work plan addendum would more accurately define its scope and schedule. The work plan was predicated on the identified data needs and has resulted in the optimum plan for collecting the required information. The schedule for obtaining the required data and implementing the RI/FS for OU 3 has resulted in a duration that is consistent with the schedule set forth in the Amended Consent Agreement of 1991.

If you or your staff have any questions, please contact Robert Janke at FTS/Commercial 738-6883.

Sincerely,

Jack R. Craig
Fernald Remedial Action
Project Manager
