FERNALD ENVIRONMENTAL MANAGEMENT PROJECT

LISTING OF MONITORING WELLS THAT HAVE BEEN FITTED WITH QED DEDICATED EQUIPMENT

WELL NUMBER	MATERIALS INSTALLED
1052	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 28 feet Teflon sample and air tubing.
1080	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 29 feet Teflon sample and air tubing.
2006	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 68 feet Teflon sample and air tubing.
2007	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 70 feet Teflon sample and air tubing.
2008	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 71 feet Teflon sample and air tubing.
2010	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 74 feet Teflon sample and air tubing.
2024	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 67 feet Teflon sample and air tubing.
2027	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 73 feet Teflon sample and air tubing.
2037	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 81 feet Teflon sample and air tubing.
2042	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 66 feet Teflon sample and air tubing.
2043	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 64.5 feet Teflon sample and air tubing.

2044	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 63 feet Teflon sample and air tubing.
2047	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 60 feet Teflon sample and air tubing.
2051	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 101 feet Teflon sample and air tubing.
2052	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 75 feet Teflon sample and air tubing.
2055	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 78 feet Teflon sample and air tubing.
2064	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 81.5 feet Teflon sample and air tubing.
2065	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 62 feet Teflon sample and air tubing.
2066	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 60.5 feet Teflon sample and air tubing.
2084	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 74 feet Teflon sample and air tubing.
2092	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 65.5 feet Teflon sample and air tubing.
2096	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 75.5 feet Teflon sample and air tubing.
2107	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 56.5 feet Teflon sample and air tubing.
2118	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 73 feet Teflon sample and air tubing.
2383	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 52.5 feet Teflon sample and air tubing.

2386	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 66 feet Teflon sample and air tubing.
2391	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 23 feet Teflon sample and air tubing.
2643	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 78 feet Teflon sample and air tubing.
2648	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 73 feet Teflon sample and air tubing.
2649	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 63 feet Teflon sample and air tubing.
3011	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 113.5 feet Teflon sample and air tubing, model 4400 packer assembly, 103 feet packer support cable and air line.
3015	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 125 feet Teflon sample and air tubing, model 4400 packer assembly, 115 feet packer support cable and air line.
3024	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 108.5 feet Teflon sample and air tubing, model 4400 packer assembly, 98 feet packer support cable and air line.
3034	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 110 feet Teflon sample and air tubing, model 4400 packer assembly, 123.5 feet packer support cable and air line.
3037	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 135 feet Teflon sample and air tubing, model 4400 packer assembly, 123.5 feet packer support cable and air line.
3043	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 118.5 feet Teflon sample and air tubing, model 4400 packer assembly, 108 feet packer support cable and air line.
3044	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 123.5 feet Teflon sample and air tubing, model 4400 packer assembly, 113 feet packer support cable and air line.

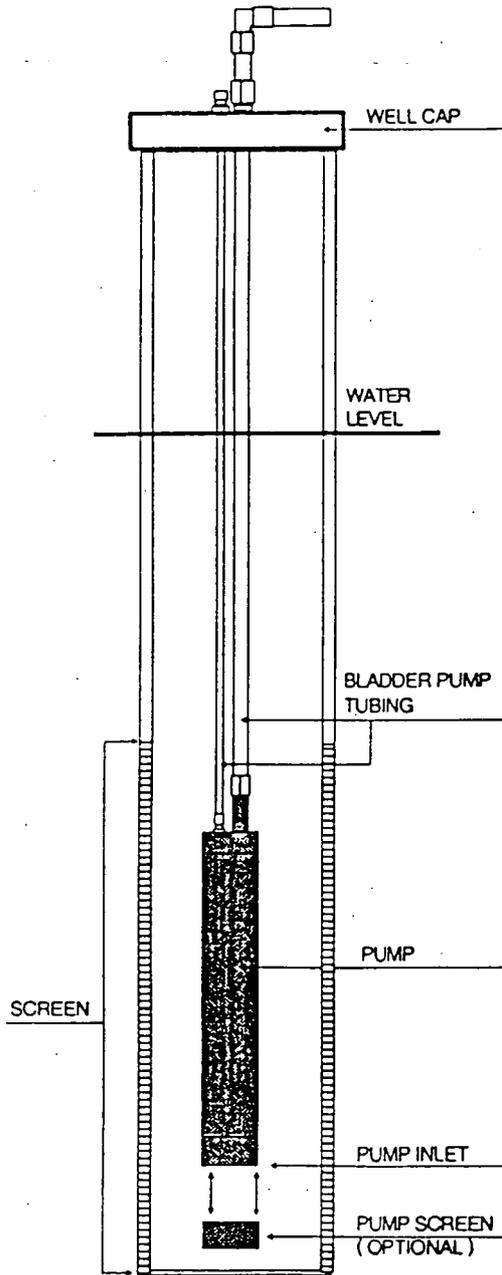

3045	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 92.5 feet Teflon sample and air tubing, model 4400 packer assembly, 83 feet packer support cable and air line.
3046	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 124.5 feet Teflon sample and air tubing, model 4400 packer assembly, 115 feet packer support cable and air line.
3055	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 119 feet Teflon sample and air tubing, model 4400 packer assembly, 106.5 feet packer support cable and air line.
3064	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 138.5 feet Teflon sample and air tubing, model 4400 packer assembly, 128 feet packer support cable and air line.
3066	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 135.5 feet Teflon sample and air tubing, model 4400 packer assembly, 125 feet packer support cable and air line.
3067	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 130.5 feet Teflon sample and air tubing, model 4400 packer assembly, 120 feet packer support cable and air line.
3068	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 130.5 feet Teflon sample and air tubing, model 4400 packer assembly, 120 feet packer support cable and air line.
3069	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 125 feet Teflon sample and air tubing, model 4400 packer assembly, 115 feet packer support cable and air line.
3070	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 140.5 feet Teflon sample and air tubing, model 4400 packer assembly, 130 feet packer support cable and air line.
3084	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 114 feet Teflon sample and air tubing, model 4400 packer assembly, 113.5 feet packer support cable and air line.
3091	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 91 feet Teflon sample and air tubing, model 4400 packer assembly, 80 feet packer support cable and air line.

3092	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 123.5 feet Teflon sample and air tubing, model 4400 packer assembly, 113 feet packer support cable and air line.
3095	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 80 feet Teflon sample and air tubing, model 4400 packer assembly, 70 feet packer support cable and air line.
3096	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 128 feet Teflon sample and air tubing, model 4400 packer assembly, 118 feet packer support cable and air line.
3106	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 87 feet Teflon sample and air tubing, model 4400 packer assembly, 77 feet packer support cable and air line.
3385	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 124.5 feet Teflon sample and air tubing, model 4400 packer assembly, 115 feet packer support cable and air line.
3387	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 119 feet Teflon sample and air tubing, model 4400 packer assembly, 108.5 feet packer support cable and air line.
3391	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 72.5 feet Teflon sample and air tubing, model 4400 packer assembly, 63 feet packer support cable and air line.
3396	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 78 feet Teflon sample and air tubing, model 4400 packer assembly, 68 feet packer support cable and air line.
4010	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 201 feet Teflon sample and air tubing, model 4400 packer assembly, 189.5 feet packer support cable and air line.
4011	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 180 feet Teflon sample and air tubing, model 4400 packer assembly, 170 feet packer support cable and air line.
4013	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 209.5 feet Teflon sample and air tubing, model 4400 packer assembly, 199 feet packer support cable and air line.

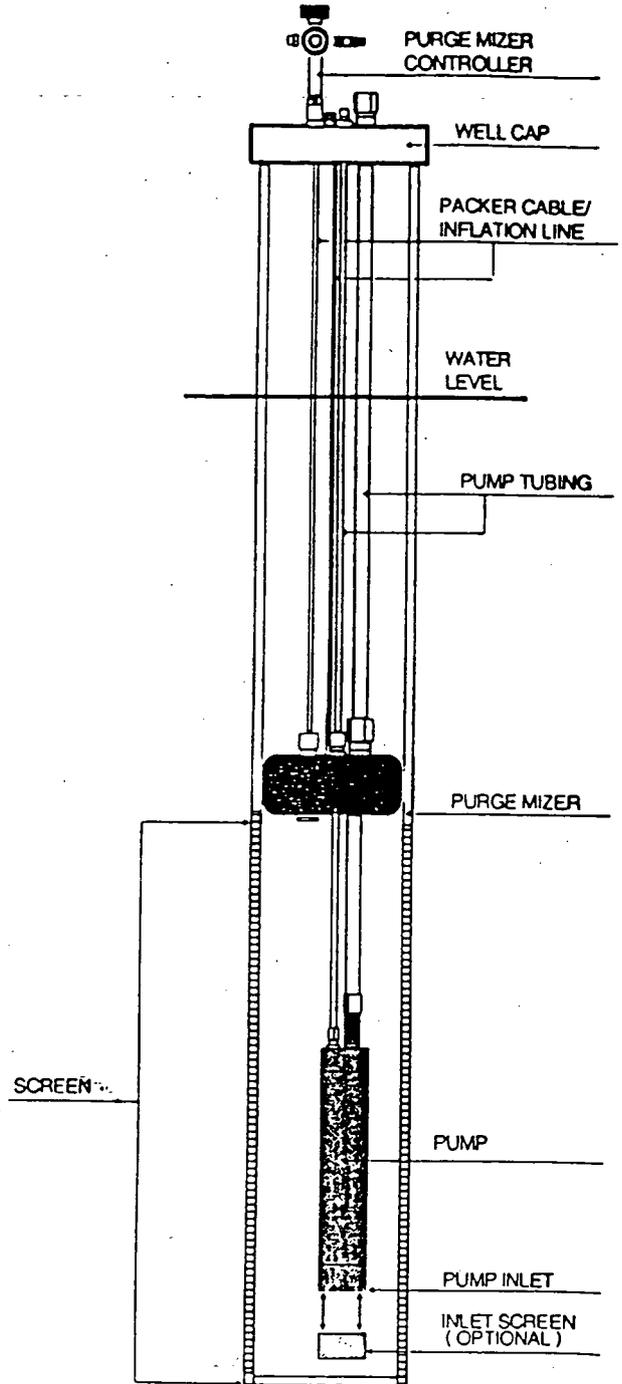

4067	Model 2120C well cap, model T1200d bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 115 feet Teflon sample and air tubing, 91 feet of drop tubing, model 4400 packer assembly, 200 feet packer support cable and air line.
4091	Model 2120C well cap, model T1200 bladder pump with stainless steel inlet screen, 1/2 inch Teflon sample elbow, 128 feet Teflon sample and air tubing, model 4400 packer assembly, 118 feet packer support cable and air line.

QED DEDICATED EQUIPMENT INSTALLATION DIAGRAMS

NON-PACKER SYSTEM

PACKER SYSTEM

Laurie,
I will give you the marked up copy.
