Dear Mr. Rast:

In accordance with the provisions of Rule 3745-50-36 of the Ohio Administrative Code (OAC), an annual fee is due upon the anniversary of the issuance date of a hazardous waste permit issued to a facility. Since you have been operating as an existing hazardous waste facility, which should have applied for and received a permit by October 9, 1981, this annual fee requirement is also applicable.

The enclosed "Notice of Annual Fee Due" indicates the amount due and all other pertinent information necessary for submittal of your annual fee for 1991. Your complete fee submittal should include the "Notice of Annual Fee Due" and payment.

The fee submittal package should be submitted to: Ohio EPA, Attn: Fiscal Administration, P.O. Box 1049, 1800 WaterMark Drive, Columbus, Ohio 43266-0149.

If you have any questions concerning your permit fee obligations, please contact me at (614) 644-2977.

Very truly yours,
