RE: Responses to Comments on the
Removal Action 3-Part 5 Work
Plan

Dear Mr. Craig:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the Response to Comments on the Removal Action #3-Part 5 Work Plan and Transmittal of Revised Soil Vapor Procedures.

The response to comments and the revised procedures satisfactorily addresses all U.S. EPA comments. U.S DOE must incorporate these responses into the Work Plan.

Please contact me at (312/FTS) 886-0992 if you have any questions.

Sincerely,

James A. Saric
Remedial Project Manager
