Mr. W. H. Britton, President
Westinghouse Materials Company
of Ohio
P. O. Box 398704
Cincinnati, OH 45239-8704

Dear Mr. Britton:

REMOVAL ACTION MEMORANDUM: PIT 5 EXPERIMENTAL TREATMENT FACILITY

Reference: Letter, DOE-930-90, R. J. Hansen to M. B. Boswell, "CERCLA Removal Actions," dated April 23, 1990

The subject Removal Site Evaluation has been reviewed by my office. Based on this review, it has been determined that this project constitutes a time critical removal action as defined in the referenced letter. An Administrative Record file should be established for this removal action.

WMCO is requested to complete the following actions in preparation for implementing this removal action.

1. Implement control measures to prevent release and spread of contamination.
2. Establish a preferred method for the removal action and develop a work plan and schedule.

WMCO should submit the following to ensure that the above actions are met and that timely completion of this project is achieved.

*get rid of
baseline CA
remedy effort*

- ① An evaluation of potential alternatives and proposal of the action to be taken by July 1, 1991.
- ② NEPA documentation by July 15, 1991.
3. A work plan to conduct this action by August 1, 1991.
4. A Health and Safety Plan by September 1, 1991.

If your staff has any questions, please ask them to contact Oba Vincent at extension 6937.

Sincerely,

Ray Clauson for
Gerald W. Westerbeck
