Dear Mr. Kaufman:

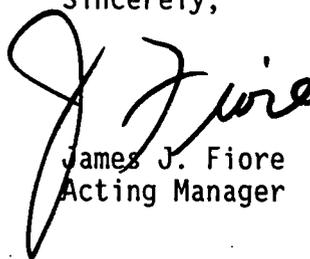

REMOVAL ACTION MEMORANDUM: SAFE SHUTDOWN PROGRAM, REMOVAL ACTION NUMBER 12

The enclosed Removal Site Evaluation (RSE) for the Safe Shutdown Program has been reviewed by my office. Based on this review and the terms of the Amended Consent Agreement, the Department of Energy, Fernald Field Office (DOE-FN) has determined a removal action was warranted.

The Fernald Environmental Restoration Management Corporation (FERMCO) should continue with the implementation of this removal action and submit the updated procedural documentation to the DOE-FN according to the current baseline schedules for FY-93.

If you or your staff have any questions, please contact Anand C. Shah at extension 6156.

Sincerely,

James J. Fiore
