Dear Mr. Kaufman:

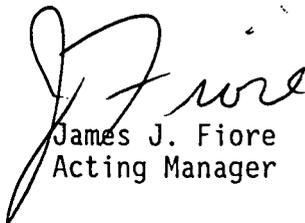

REMOVAL ACTION MEMORANDUM: PLANT 7 DECONTAMINATION AND DISMANTLING

The enclosed Removal Site Evaluation (RSE) for the Plant 7 Decontamination and Dismantling has been reviewed by my office. Based on this review and the terms of the Amended Consent Agreement, the Department of Energy, Fernald Field Office (DOE-FN) has determined a removal action is warranted.

The Fernald Environmental Restoration Management Corporation (FERMCO) should proceed with the preparation of the Removal Action Work Plan and submit a draft copy of the work plan to DOE-FN by February 20, 1993.

If you or your staff have any questions, please contact Anand C. Shah at extension 6156.

Sincerely,

James J. Fiore
Acting Manager
