Mr. Graham E. Mitchell, Project Manager  
Ohio Environmental Protection Agency  
40 South Main Street  
Dayton, Ohio 45402-2086

Dear Mr. Saric and Mr. Mitchell:

**OPERABLE UNIT 2 DRAFT REMEDIAL INVESTIGATION REPORT COMMENT RESPONSES**

This letter transmits the Department of Energy (DOE) response to comments pertaining to the Operable Unit 2 (OU 2) Draft Remedial Investigation (RI) Report received from the United States Environmental Protection Agency (U.S. EPA) and the Ohio Environmental Protection Agency (OEPA). These responses were developed, based upon the DOE letter of February 2, 1993, notifying you of additional work or modifications to work and request for schedule extension under the Amended Consent Agreement. Pursuant to the proposal in the February 2, 1993 letter, the Draft RI Report will be revised and submitted at a later date. A meeting has been scheduled for February 17, 1993, with the U.S. EPA and the OEPA to further discuss the OU 2 Draft RI Report.

If you or your staff have any questions, please contact Johnny Reising at 513-738-9083.

Sincerely,

A handwritten signature in black ink, appearing to read "Jack R. Craig".

Jack R. Craig  
Fernald Remedial Action  
Project Manager
