RE: Approval of Revised OU #3  
RI/FS Work Plan RTC

Dear Mr. Craig:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the Operable Unit (OU) 3 Remedial Investigation (RI) and Feasibility Study (FS) Work Plan Addendum Response to Comments (RTC). The RTC adequately address U.S. EPA's comments, and the revised pages reflect the changes.

Therefore, U.S. EPA approves the revised OU #3 RI/FS Work Plan Addendum RTC. The United States Department of Energy must incorporate the changes into the Work Plan and submit a final version to U.S. EPA within thirty (30) days receipt of this letter.

Please contact me at (312) 886-0992 if you have any questions.

Sincerely,

James A. Saric  
Remedial Project Manager
