RE: Approval of CERCLA/RCRA  
Background Soil Study

Dear Mr. Craig:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the revised Comprehensive Environmental Response, Compensation, and Liability Act/Resource Conservation and Recovery Act Background Soil Study.

The Study has adequately addressed and incorporated U.S. EPA's comments into the document. Therefore, U.S. EPA hereby approves the Background Soil Study.

Please contact me at (312/FTS) 886-0992 if you have any questions.

Sincerely,

James A. Saric  
Remedial Project Manager
