Dear Neighbor:

COMMUNITY MEETING JUNE 22, 1993

You are invited to attend the next U.S. Department of Energy (DOE) community meeting, one in a series on cleanup activities at the Fernald Environmental Management Project, Fernald, Ohio. The meeting will be held on Tuesday evening, June 22, 1993, at The Plantation, 9660 Dry Fork Road in Harrison, Ohio (a map is enclosed).

We will be available to answer individual questions from 6:00-7:00 p.m., prior to the meeting. The community meeting will start at 7:00 p.m. DOE will provide an update on activities which have occurred since our February 23, 1993, community meeting. The U.S. Environmental Protection Agency, the Ohio Environmental Protection Agency, and the local environmental group, Fernald Residents for Environment, Safety and Health, will make brief statements. A question-and-answer session will follow the presentations.

I hope to see you on June 22, 1993 when we can share with you our progress toward environmental restoration.

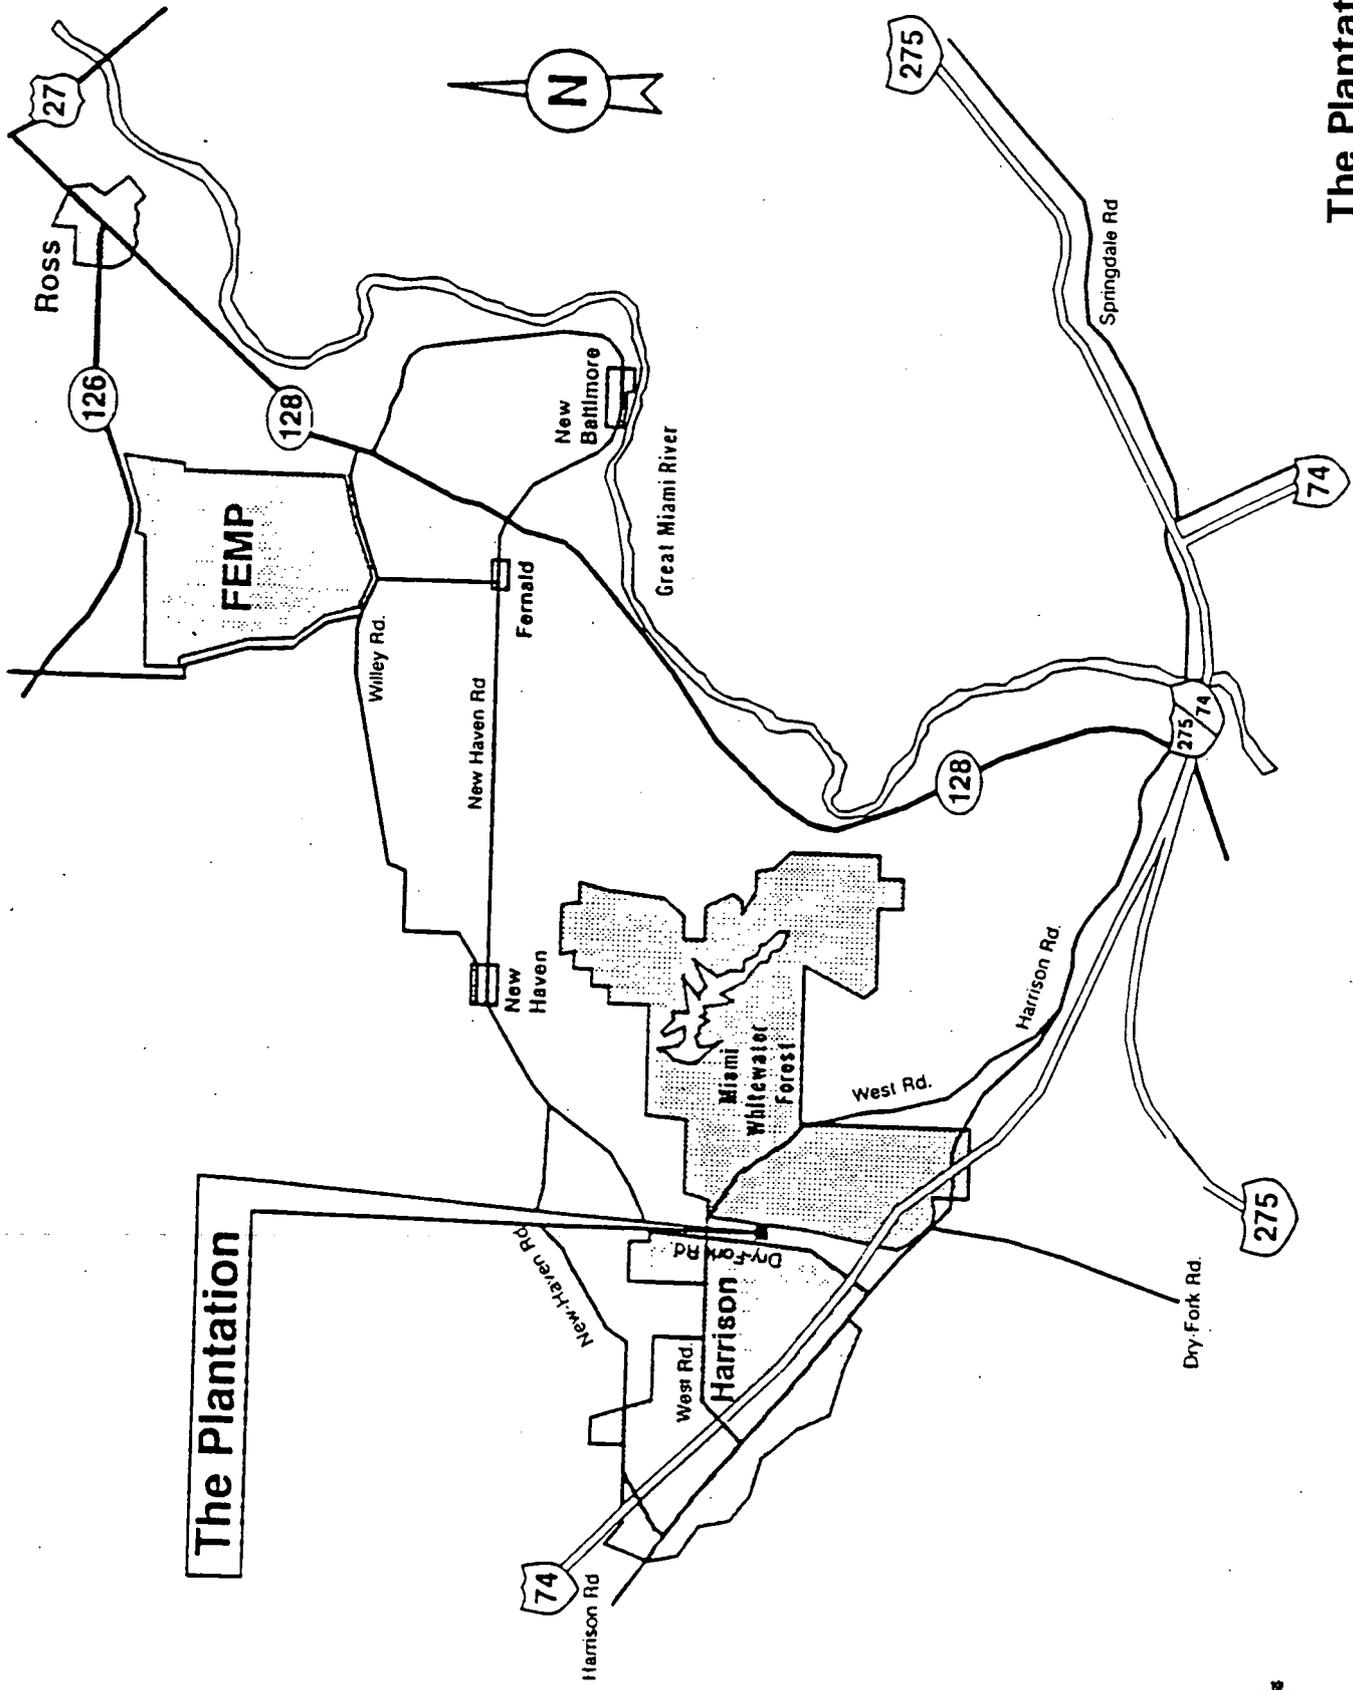

Sincerely,

Raymond J. Hansen
