Dear Mr. Shelton:

REQUEST FOR JURISDICTIONAL DETERMINATION OF WETLANDS AND "WATERS OF THE UNITED STATES" AT THE U.S. DEPARTMENT OF ENERGY FERNALD ENVIRONMENTAL MANAGEMENT PROJECT, BUTLER AND HAMILTON COUNTIES, OHIO

Enclosed for your review are three (3) copies of the report entitled "Wetlands Delineation Report for the Fernald Environmental Management Project, Butler and Hamilton Counties, Ohio." This report documents the extent and location of jurisdictional wetlands and waters of the U.S. at the Fernald site, as determined pursuant to the 1987 U.S. Army Corps of Engineers Wetland delineation Manual and 33 CFR Part 328.

We are requesting that this report be used to issue a formal jurisdictional determination for our facility, after which we intend to utilize the report as the basis for evaluating wetland impact and compliance requirements associated with both Comprehensive Environmental Response Compensation and Liability Act (CERCLA) and non-CERCLA related activities at the Fernald Environmental Management Project (FEMP).

If you or your staff have questions, please contact Jack Craig at (513) 648-3107 or Pete Yerace at (513) 648-3161.

Sincerely,

Raymond J. Hansen
Acting Manager
