SUBJECT: LEASE OF 2-6" TANK AREA

Dear Mr. Hayes:

Submitted herewith for your information is a copy of Lease Number AT-(40-1)-2429 proposed to be executed between the Commission and African Metals Corporation. We would appreciate any comments you desire to make and request the document be returned to this office. There is no objection to reproducing this document for your files.

Returned

It is to be noted that the proposed effective date is October 1, 1958. This date has been established on the assumption that NLO will have completed the necessary repairs to the tank early in September. Mr. Charles S. Cressy of African Metals Corporation has requested that he be permitted to inspect the repair work prior to execution of the lease agreement. It is requested that you advise this office what repairs are proposed to be made and when such repairs will be completed so that a date for the inspection can be established.

Very truly yours,

C. L. Karl
