40 South Main Street
Dayton, Ohio 45402

Dear Mr. Saric and Mr. Mitchell:

**REMOVAL ACTION NUMBER 3: SOUTH GROUNDWATER CONTAMINATION PLUME, PART 2,
PUMPING TEST REPORT**

Pursuant to the South Groundwater Contamination Plume Recovery System Design, Monitoring, and Evaluation Program Plan (DMEPP), the attached Final South Plume Removal Action Pump Test Report is being submitted for your information.

The Pumping Test Report covers in detail the information presented to your respective technical staffs on June 30, 1993 Ohio Environmental Protection Agency (OEPA), and July 1, 1993 United States Environmental Protection Agency (U.S. EPA) and information contained in the Vertical Capture Letter Report (Appendix D of Pumping Test Report) given to your staff at these meetings. The Report also verifies the extraction well field design.

Based on your concurrence below the Extrusion Well System is scheduled to begin operation on August 28, 1993.
