Mr. Donald R. Schregardus, Director
Ohio Environmental Protection Agency
1800 WaterMark Drive
Columbus, Ohio 43266-0149

Dear Mr. Sshregardus:

**REMOVAL ACTION NUMBER 28, CONTAMINATION AT THE FIRE TRAINING FACILITY,
RESPONSE TO COMMENTS AND FINAL WORK PLAN SUBMITTAL**

This letter transmits the Final Removal Action Work Plan (RAWP)/Closure Plan Information and Data (CPID) Package for Removal Action Number 28, Contamination at the Fire Training Facility, and responses to the comments obtained from United States Environmental Protection Agency (U.S. EPA) and Ohio Environmental Protection Agency (OEPA) on the draft work plan. The RAWP/CPID package was conditionally approved by the U.S. EPA on August 6, 1993 and disapproved by OEPA on August 5, 1993.

Additionally, the work plan establishes the Fire Training Facility as an Area of Contamination (AOC). A map of the area is provided in Attachment 8 of the work plan and the characterization data for making the AOC areal extent determination is summarized in section 2.2 of the work plan.

If you or your staff have any questions, please contact Anand Shah at (513) 648-3146.

Sincerely,

Jack R. Craig
Fernald Remedial Action
Project Manager
