HELP SHAPE THE FUTURE OF FERNALD

October 14, 1993 • 4 to 6 p.m.
Meadowbrook, 2398 Venice Boulevard, Ross, Ohio

The FERNALD CITIZENS TASK FORCE is beginning its deliberations on these questions:

- **What should be the future use of the site?**
- **Where should radioactive and hazardous waste be disposed?**
- **What degree of cleanup is required?**
- **What are the site cleanup priorities?**

The Task Force will address these questions and make recommendations to the U.S. Environmental Protection Agency, the Ohio Environmental Protection Agency, and the U.S. Department of Energy.

You are invited to help the Task Force make those recommendations.

This is YOUR opportunity to help determine the future of Fernald. Task Force meetings are open to the public.
