Mr. Paul Pardi, Hazardous Waste Group Leader
Ohio Environmental Protection Agency
Southwest District Office
40 South Main Street
Dayton, Ohio 45401-2086

Dear Messrs Saric, Mitchell, and Pardi:

**REMOVAL ACTION NUMBER 28, REVISED FINAL REMOVAL ACTION WORK PLAN/CLOSURE PLAN
INFORMATION AND DATA PACKAGE FOR CONTAMINATION AT THE FIRE TRAINING FACILITY**

Enclosed please find the Revised Final Work Plan/Closure Plan Information & Data Package (RAWP/CPID) incorporating the responses to Ohio EPA comments on RAWP/CPID and the Department of Energy (DOE) response to Ohio EPA comments for Removal Action Number 28, Contamination at the Fire Training Facility. U.S. EPA has approved the Final Work Plan on November 5, 1993.

In order to maintain continuity throughout the Work Plan, additional revisions are made to Attachment 5, "Applicable or Relevant and Appropriate Requirements" and to ARARs in Table 3-11 on Page 3-63. The following ARARs were deleted from Table 3-11.

- I) Deletions because the surface waters will be containerized rather than treated in the Plant 8 VOC system:

10 CFR 20.2001
40 CFR 265.1 (OAC 3745-55-01)
OAC 3745-33
OAC 3745-1-21

II) Deletions because waste will be dispositioned under OU3 ROD:

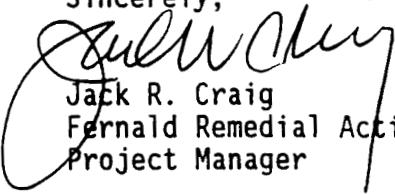

- 10 CFR 61
- 40 CFR 262.10 (OAC 3745-52-10)
- 40 CFR 262.30 through 262.33 (OAC 3745-52-30 through 3745-52-33)
- 40 CFR 262.40 through 262.44 (OAC 3745-52-30 through 3745-52-33)
- 40 CFR 262.20 through 262.23 (OAC 3745-52-30 through 3745-52-23)
- 49 CFR 172 and 173

III) 40 CFR 262.12 (OAC 3745-52-12) was omitted since DOE has an EPA ID number for the site.

These changes do not affect the overall structure of the removal action.

If you or your staff have any questions, please contact Anand Shah at 513-648-3146.

Sincerely,

Jack R. Craig
Fernald Remedial Action
Project Manager
