Dear Mr. Reafsnyder:

The remedial investigation (RI) workplans outlines several community relations activities, including meetings with residents three times per year and distribution of a quarterly newsletter.

Please outline the dates of the meetings with residents and provide all back issues of the quarterly newsletter. Please be sure my name is on the newsletter mailing list. Also, provide an additional copy for Anne Rowan, U.S. EPA's community relations coordinator for the site. Please submit this requested information within fifteen (15) days of receipt of this letter.

Please contact me at (312 or FTS) 886-4436, if you have any questions.

Sincerely,
