P. O. Box 398705

Dear Mr. Craig:

I am writing to notify you of a change in project manager for Ohio EPA oversight of the FEMP. With the formation of the Office of Federal Facility Oversight, Mr. Tom Schneider has been selected project manager for the Fernald site. All site related correspondence should be addressed to Mr. Schneider. For your information I have attached a table of organization for the new office.

Although I will continue to work with Fernald staff on some issues, I want to thank DOE and FERMCO for the good working relationships that have been established. We look forward to maintaining and improving those relationships as we continue in the cleanup of Fernald.

Sincerely,

Graham E. Mitchell  
Chief, Office of Federal Facility Oversight
