Dayton, Ohio 45402-2086

Dear Mr. Saric and Mr. Schneider:

**REQUEST FOR EXTENSION ON RESUBMITTAL OF THE OPERABLE UNIT 2 REMEDIAL INVESTIGATION REPORT**

Consistent with Section XII G.6 of the Amended Consent Agreement between the Department of Energy (DOE) and the United States Environmental Protection Agency (USEPA), the Fernald Environmental Management Project (FEMP) is providing notice that the period for responding to comments on the Operable Unit 2 (OU2) Remedial Investigation (RI) Report requires an extension of twenty (20) days.

This extension is required due to the numerous comments received on the report from USEPA and the Ohio Environmental Protection Agency (OEPA). The meeting scheduled on May 16, 1994, in Chicago will facilitate resolution of many of the technical issues.

This extension will change the date for responding to USEPA comments and for reissuance of the OU2 RI Report to June 15, 1994.

If you or your staff have any questions, please contact Rod Warner at (513) 648-3156.

Sincerely,

for Jack R. Craig  
Fernald Remedial Action  
Project Manager
