- Valuable
- Not very valuable
- Not at all valuable

10. Overall, do you have any additional comments you would like to add about the meeting, or suggestions for improvement?

- 1.) *off-site* ^{has} maintenance & monitors also ^{over-all} gov't but cost still out of tax payer pocket should have been put in perspective
- 2.) *The issue of bad stuff gone, some stuff keep is basically a political compromise that is the only alternative that is currently being considered nationally.*

Thank you for taking the time to fill out this evaluation form.

090010

This needs more explanation to public

These things need to be brought into perspective in order for people to understand why the direction of things are what they are. — It's not like anybody really wants the stuff but the reality of shipping all is not in the picture and shipping some (the ^{real} bad stuff) and keeping some is the way way the nation is leaning COMPLETE
