MEMORANDUM

TO: Interested Officials and Stakeholders

FROM: John S. Applegate, Chair

DATE: January 17, 1995

RE: Waste Disposition Workshop of the Fernald Citizens Task Force

The Fernald Citizens Task Force will conduct a workshop on January 25, 1995 from 7:00 p.m. to 9:30 p.m., at the Plantation, 9660 Dry Fork Road, in Harrison, Ohio. I have enclosed the agenda and a map with directions to the Plantation.

As you know, the Task Force has been working hard over the past year to develop recommendations for the cleanup of the Fernald property. Now, however, we are at a critical juncture in our decisionmaking process as we address waste disposition issues. We firmly believe that the more input we receive from Fernald's neighboring communities, the better our recommendations will be.

I encourage you to participate in this roundtable working session on waste disposition, to learn about options, to ask questions, to consider consequences, and to express your opinions.

If you have any questions, please call me at 513-556-0114 or the Task Force message line at 513-648-6478.
