Dear Mr. Reafsnyder:

Re: Feed Materials Production Center, near Fernald, Ohio

This letter is in response to your correspondence dated April 13, 1987 concerning the project noted above. My staff has reviewed the information provided. Based on their recommendation, it is my opinion that the proposed undertaking will have no effect on any properties that are either listed in or eligible for the National Register of Historic Places. Therefore, no further coordination with our office will be necessary unless the scope of the undertaking changes.

If you have any questions about this matter, please contact Richard Boisvert or Catherine Stroup at (614) 297-2470. Thank you for your cooperation.

Sincerely,

W. Ray Luce
State Historic Preservation Officer
