RE: DOE FEMP

HAMILTON COUNTY
CONDITIONAL APPROVAL-
REMOVAL ACTION 9 WORK PLAN
LIQUID MIXED WASTE PROJECT

Mr. Jack Craig, Director
U.S. DOE FEMP
P.O. Box 398705
Cincinnati, Ohio 45329-8705

Dear Mr. Craig:

This letter provides conditional approval of DOE's Removal Action 9 Work Plan for the Liquid Mixed Waste Project submitted to Ohio EPA on April 17, 1995. The conditions of approval are a satisfactory resolution of the comment offered below.

DOE must amend the work plan to include information describing how the bulk containers, the secondary containment structure, and other equipment associated with this project will be decontaminated in a manner consistent with Ohio EPA's Closure Guidance. DOE may initiate the project prior to the submittal of this additional information.

If you have any questions, please contact me at (513) 285-6466 or Paul Pardi at (513) 285-6079.

Sincerely,

Thomas A. Schneider
