HAZARDOUS WASTE
HAMILTON COUNTY
TSD-LQG

Mr. David R. Kozlowski
Associate Director
Office of Safety and Assessment
U.S. DOE-FEMP
P.O. Box 398705
Cincinnati, Ohio 45239-8705

Dear Mr. Kozlowski:

This letter is in response to your June 24, 1995 letter to Mr. Paul Pardi in which DOE concluded that the Primary Calciner previously considered a Hazardous Waste Management Unit should no longer be classified as such. FEMP enclosed with the June 24, 1995 letter various documents supporting this conclusion.

Through this letter, Ohio EPA acknowledges concurrence with DOE's conclusion. Therefore, the Primary Calciner should no longer be classified as a Hazardous Waste Management Unit.

Please contact me at (513) 285-6083 should you have any questions concerning the above.

Sincerely,

Christopher M. Budich
Environmental Specialist
Division of Hazardous Waste Management
