Dear Mr. Schregardus:

I am very pleased to report that the Fernald Citizens Task Force has successfully completed its mission, set out in the October 1993 Charter, to develop detailed recommendations on remediation levels, future use, remediation priorities, and waste disposition for the Fernald site. The Task Force has compiled these recommendations, our rationale, and background information into a report scheduled for public release at a media event at 4:00 p.m. on August 1, 1995, at the Meadowbrook Inn in Ross, Ohio.

This event will include local press as well as Ohio EPA, DOE, and U.S. EPA officials. It would be our great pleasure if you could attend the event and say a few words about the Task Force process. The Task Force members have invested a great deal of time and energy, and I believe that these recommendations symbolize participatory government at its best.

A copy of the report will be sent to you on July 25, 1995, for your advance review. I want to take this opportunity to thank you for the support provided to the Task Force by the Ohio EPA over the past two years. I hope to see you at Fernald on August 1, 1995.

Very truly yours,

John S. Applegate

MEMORANDUM

TO: Task Force Members
FROM: John Applegate *JSA*
DATE: July 19, 1995

As I mentioned at the July 8, 1995 Task Force meeting, we will be holding a media event on August 1, 1995, to announce the release of our recommendations report. The event will begin at 4:00 p.m. to allow time for evening news coverage and will be held at the Meadowbrook Inn in Ross, Ohio. We have confirmed that Ohio EPA Director Donald R. Schregardus will attend and it is our hope that DOE Assistant Secretary Thomas P. Grumbly will attend as well.

I want to take this opportunity to thank you all again for your hard work and dedication to the Task Force, which enabled us to release this report on schedule. I hope all of you will be able to attend the August 1, 1995 event.

A final copy of the report will be mailed to you on July 25, 1995, to give you time to look it over before it is available to the press or public. If you have any questions please call me, Doug, or Judy. See you there.
