FOCUS: TASK FORCE'S FINAL REPORT/
10-YEAR ACCELERATED CLEANUP

The Department of Energy at Fernald and U.S. EPA have received the Fernald Citizens Task Force's recommendations on cleanup levels, cleanup priorities, waste disposition, and future use. We want to hear the public's opinion on these issues. Also, the plan to accelerate the cleanup at the site, saving millions of dollars and reducing risk, will be presented.

THE PUBLIC IS INVITED
