HAMILTON COUNTY
APPROVAL - WETLAND WQ PSP

Mr. Jack Craig
Director
U.S. DOE FEMP
P.O. Box 398705
Cincinnati, OH 45329-8705

Dear Mr. Craig:

Ohio EPA has reviewed DOE's "Project Specific Plan for the Forested Wetland Surface Water Quality Study" received by Ohio EPA on July 31, 1995. Ohio EPA approves the PSP and looks forward to DOE initiating field work on this project. Mr. Bartoszek from our office has been working with Ms. Becky Bixby (FERMCO) to schedule a site visit and examination of the sampling locations. The visit is expected to occur in early September.

We would like to take this opportunity to express our appreciation for Ms. Bixby's efforts and assistance over past year concerning all Natural Resource issues. She has always been willing to provide information, incorporate comments and schedule field visits for Ohio EPA.

If you should have any questions, please contact Joe Bartoszek at (513) 285-6464 or me.

Sincerely,

Thomas A. Schneider
