RE: DOE FEMP  
MSL 531-0297  
HAMILTON COUNTY  
APPROVAL: PLANT 7 TREATMENT  
RESIDUALS RETURN

Mr. Johnny Reising  
U.S. Department of Energy, Fernald Area Office  
P.O. Box 538705  
Cincinnati, OH 45253-8705

Dear Mr. Reising:

Ohio EPA has reviewed DOE's July 11, 1995 submittal "Removal Action Number 19, Steel Recycling, Return of Waste to the Fernald Environmental Management Project." Ohio EPA approves the return of the described residues for management at the FEMP. Should any significant changes from the waste volume and characterization provided in the letter occur, DOE must notify Ohio EPA prior to receipt of the wastes at the FEMP.

If you have any questions feel free to contact Paul Pardi (513) 285-6079 or me.

Sincerely,

Thomas A. Schneider  
Fernald Project Manager  
Office of Federal Facilities Oversight
