Dear Mr. Reising:

Ohio EPA has reviewed the "South Plume Discharge Line Leak Detection System " submitted by DOE on November 7, 1995 Ohio EPA's review finds DOE's proposal to be appropriate and acceptable. Ohio EPA does not feel a meeting, as suggested in DOE's letter, is necessary but is available if DOE wishes to discuss the issue

If you should have any questions, please contact Mike Proffitt at (513) 285-6603 or me.
