Irene Lewis, Director  
Butler County EMA  
Butler County Courthouse Annex  
141 Court Street, 2nd Floor  
Hamilton, Ohio 45011

Dear Madam:

**SARA 311 NOTIFICATION**

In accordance with O.A.C. 3750-30-15(D)(2), please be advised the Fernald Environmental Management Project now has on site the following chemicals in excess of the reporting threshold found in O.A.C. 3750-30-27(A):

Portland Cement  
Calcium Carbonate  
Silica

The Portland Cement is being used at the Waste Solidification Project in Plant 6. The Calcium Carbonate and Silica are being stored in Building 32. These chemicals will be used at the Vitrification Pilot Plant Project.

If you have any questions, please contact Ed Skintik at (513) 648-3151.

Sincerely,

*Walter J. Quaider*  
Walter J. Quaider  
Deputy Associate Director
