RE: DEPARTMENT OF ENERGY

HAMILTON COUNTY
MAJOR NON-TRANSIENT/NON-COMMUNITY
PUBLIC WATER SUPPLY
PWS ID #3136512

Mr. Jack R. Craig, Director
Department of Energy
Fernald Environmental Management Project
P.O. Box 538705
Cincinnati, Ohio 45253-8705

Dear Mr. Craig:

This letter is in response to your letter of March 13, 1996 regarding the Major Non-Transient/Non-Community public water supply which serves the Department of Energy Fernald Environmental Management Project (DOE-FEMP) site. According to your letter, effective February 17, 1996, DOE-FEMP has connected its drinking water distribution system to the City of Cincinnati Water Works. As a result of connecting your potable water system with the City of Cincinnati, DOE-FEMP no longer operates and maintains a public water supply.

I appreciate the cooperation I have encountered while working with you and your staff. If you have any questions, please feel free to contact me at (513) 285-6118.

Sincerely,

Jeff H. Stark
