HAZARDOUS WASTE
HAMILTON COUNTY
TSD-LQG

Mr. Johnny Reising
U.S. DOE-FEMP
P.O. Box 398705
Cincinnati, Ohio 45239-8705

Dear Mr. Reising:

The Ohio EPA (OEPA) received the Department of Energy's (DOE) response to OEPA's January 4, 1996 comments regarding the Fernald Environmental Management Project (FEMP) Mixed Waste Chemical Treatment Project General Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) Work Plan on March 29, 1996. The response included a discussion of each comment, proposed actions, and a revised Applicable or Relevant and Appropriate Requirements (ARAR) Table. DOE's response was reviewed by OEPA's Division of Hazardous Waste Management (DHWM).

Based on this review, OEPA approves the revisions to the FEMP Mixed Waste Chemical Treatment Project General CERCLA Work Plan. OEPA requests that DOE provide a copy of the work plan, with revised ARARs Table, to the Southwest District Office.

Should you have any questions concerning the above please contact Mr. Chris Budich of the DHWM at 513-285-6083.

Sincerely,

Thomas A. Schneider
