RE: RTC on Mixed Waste
Chemical Treatment

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the technology specific work plan for waste segregation. . On April 4, 1996, U.S. EPA granted conditional approval of the mixed waste chemical treatment project pending receipt of adequate RTC.

U.S. DOE has adequately addressed U.S. EPA's previous comments.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
