RE: RA 17 Work Plan,  
Revision 3

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Removal Action (RA) 17 work plan, revision 3 soil debris management addendum.

U.S. DOE has adequately addressed U.S. EPA's previous comments and concerns.

Therefore, U.S. EPA approves the RA 17 work plan.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
