RE: OU 1 Final ESD

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its final review and signed the United States Department of Energy's (U.S. DOE) Explanation of Significant Differences (ESD) document outlining changes to the Operable Unit (OU) 1 Record of Decision (ROD). This ESD for OU 1 details the change in the ROD for the processing of certain non-OU 1 waste streams through the OU1 remedial infrastructure.

Enclosed is a copy of the document with the original signature page. Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
