Mr. Corbin Cornett
[REDACTED]

Dear Mr. Cornett:

Thank you for your interest in the environmental study underway at the Feed Materials Production Center. We appreciate your participation in the January 1989 community meeting. We know it has been a while since you asked to have your name added to the mailing list for the FMPC Remedial Investigation and Feasibility Study. Your name has been added to this list.

I would like to take this opportunity to personally invite you to attend our next RI/FS community meeting. It will be held May 15 in the Ross Middle School.

Sincerely,

James A. Reafsnyder
