Mrs. Lisa Crawford  
[REDACTED]

Dear Lisa:

I hope you were as pleased with the roundtable Tuesday night as I was.

It was everything I wanted it to be and far more than I expected. I believe some real communication took place and maybe we have finally learned how to communicate with you and other FRESH members.

I even got to hug Maggie Merritt.

What took us so long?

This wouldn't have happened without you, Vicky, Maggie, Edwa and Peggy and I'm deeply grateful for your cooperation, attitude and the valuable time you took just to talk to us.

I earnestly believe every person there wants the FMPC cleaned up and not a concern to anyone. We can build on that meeting to accomplish this cleanup faster and better.

I look forward to working with you to make the FMPC a better place and the Fernald area a better community.

From the bottom of my heart, I thank you.

Sincerely,

*Pete*
