7. How did you find out about tonight's meeting? Postcard___ newspaper ad___ flyer___ FRESH meeting___ Envoy Program___ newspaper article___

8. Do you have any other constructive comment/criticism about tonight's meeting?

Two different nites would be better to cover the material. It was too much for one nite, you have better speakers than Greg Jones that is more interesting & talking to the public. Need more women to present the topic

In planning an informational presentation to a "friendly audience" you might want to allow 3 min / anticipated question

A relatively "hostile audience" requires almost 2x that per anticipated question
you had 15-20 questions in first 2 hrs.
