PUBLIC COMMENTS ON THE OPERABLE UNIT 2 PROPOSED PLAN

Comments were received from 27 identified stakeholders (including Ohio Environmental Protection Agency (OEPA)) and two anonymous stakeholders during the Operable Unit 2 public comment period. In order to demonstrate to each identified stakeholder that the comments were considered and answered, the attached letters were sent to each commentor on March 20, 1995. The letters acknowledge receipt of the comments, provide information about the Record of Decision, and direct each stakeholder to the specific pages in the Responsiveness Summary where their comments are addressed. A copy of the Responsiveness Summary that was submitted to the U.S. Environmental Protection Agency (U.S.EPA) on February 4, 1995, was attached to each letter. Copies of the letters are enclosed for your information.
