RE: A1,P2 West of NAR
Certification Report

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Area 1, Phase 2 (A1,P2) Sector 2 certification report.

The A1,P2, Sector 2 certification report provides the information and data for 13 certification units west of the former North Access Road (NAR) and a portion of Area 5.

The certification report adequately demonstrates that the area has achieved the final remediation levels, and is consistent with other certification reports. Therefore, U.S. EPA approves the A1,P2 Sector 2 certification report.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
