RE: Final OU 3 Integrated
RD/RA Work Plan

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) final Operable Unit (OU) 3 integrated Remedial Design (RD)/Remedial Action (RA) work plan.

The document has adequately addressed and incorporated all of U.S. EPA's previous comments.

Therefore, U.S. EPA approves the final OU 3 integrated RD/RA work plan.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
Federal Facilities Section
SFD Remedial Response Branch #2
