Dear Mr. Reising:

This letter provides Ohio EPA approval to use the former West impacted soil stockpile footprint as a material transfer facility for A1P11 impacted materials. As stated in your letter DOE-0941-99, this approval is temporary and excavation of all areas including the West stockpile footprint must be completed by September 30, 1999.

If you have any questions, please contact Tom Ontko or me.

Sincerely,

*For Tom Ontko*
