RE: OU 1 Transportation  
and Disposal Plan RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the transportation and disposal plan for remedial activities at Operable Unit (OU) 1.

The RTC have adequately addressed U.S. EPA's previous comments.

Therefore U.S. EPA approves the transportation and disposal plan for OU 1. U.S. DOE must submit the final revised plan within thirty (30) days receipt of this letter.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
