RE: A1,P3 Certification
Design Letter

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Area 1, Phase 3 (A1,P3) Certification Design Letter (CDL).

This document provides an approach for certifying A1,P3, on the north border of the site property, has met final remediation levels.

The overall approach presented in the CDL appears adequate and is consistent with other area CDLs. Therefore, U.S. EPA approves the A1,P3 CDL.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
