RE: Approval of South Field  
Extraction Design Package  
Response to Comments

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) South Field extraction system design package Responses to comments (RTC).

U.S. DOE has adequately addressed U.S. EPA's previous comments.

Therefore, U.S. EPA hereby approves the South Field design package RTC. U.S. DOE must submit revised drawings and technical specifications incorporating the RTC to U.S. EPA within thirty (30) days receipt of this letter.

Please contact me at (312) 886-0992 if you have any questions.

Sincerely,

James A. Saric  
Remedial Project Manager  
Federal Facilities Section  
SFD Remedial Response Branch #2
