Dear Mr. Reising:

This letter serves as approval of the "Geotechnical Investigation Report On-Site Disposal Facility" received by Ohio EPA on January 22, 1996.

To facilitate Ohio EPA's on-going creation of a GIS data-base, please provide an Oracle dump file or a Ris dump file of the geotechnical database referred to on Page 4-1 and in Appendix K. Please provide this on an 8MM tape in CPIO format. Please include a letter and README files explaining the contents of the tape. The data may also be FTP'd to the Ohio EPA. If you have any questions please contact Ohio EPA's GIS Specialist, Randy Earle at (513)285-6038.
