RE: Programmatic Agreement for Operable Unit 3, Fernald Site, Ohio

Dear Mr. Skintik:

Enclosed is your copy of the fully executed Programmatic Agreement for the referenced project. By carrying out the terms of the Agreement, you will have fulfilled your responsibilities under Section 106 of the National Historic Preservation Act and the Council's regulations. A copy of the Agreement has also been sent to the Ohio State Historic Preservation Officer, and the original will remain on file in our office.

Due to the partial shutdown of the Federal government, brought about first by the impasse between the Congress and the President over the budget and then by the recent snow emergency, the Council has been closed for nearly four weeks. We regret any inconvenience this may have caused you. Thank you for your patience and cooperation.

Sincerely,

Ronald D. Anzalone
Director, Office of Education and
